

**It's About Player Development... It's About Community Excellence...
E.F.F.O.R.T. - 2006 Workshops for Parents and Coaches**

Show your support for your kids and creating strong and healthy hockey communities.

Learn how you can create the optimal hockey environment for your child. Program speakers include, **Kevin Sullivan**, USA Hockey Sled Hockey Coach and EFFORT Committee Chair, **Dr. Adam Naylor**, Sport Psychology Coach from Boston University, and **Dr. Alan Ashare**, creator of the Heads Up Hockey safety initiative.

- Learn about how you can help create optimal hockey environments.
- Have safety and player development questions answered.
- Receive EFFORT tip sheets and information.
- Get EFFORT bag tags for all the hockey bags in your family.
